

# Monthly IMC Club Meeting - Mastering the Art of Instrument Navigation

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. For IFR pilots, IFR students and anyone thinking about flying in the clouds. Bring iPad or other device to view instrument procedures. You do not need to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** Seminar will be held in the WINGS of Carolina hangar facility.
